Dear Colleagues,

The European Pediatric Surgeon's Association (EUPSA) has the pleasure to announce the 14th Central & Eastern European Course in Pediatric Surgery on the topic of "Neonatal & Minimal Invasive Surgery and Urology" in Tirana, Albania

Challenges exist for pediatric surgeons with regards to the variations in pathologies and often due to low number of cases to gain experience. The present course will focus on various aspects that include congenital malformations and laparoscopy/thoracoscopy.

The 14th Course is envisaged to provide an excellent overview through lectures given by experts. The Course also includes lecture ample discussion time to interact with the faculty.

The European Pediatric Surgeon's Association (EUPSA) along with the local organization team welcomes you to Tirana, Albania for the 14th Central & Eastern European Course in Pediatric Surgery!

Martin Lacher, MD
