Double Tree by Hilton Wrocław, Poland

Dear Colleagues,

On behalf of the European Society of Paediatric Endoscopic Surgeons (ESPES) we have a great honour and pleasure to invite you to attend the 7th Annual Congress of the Society that will be held in Wrocław, Poland.

Thanks to the efforts of many paediatric surgeons, our Society is a rapidly expanding community. To them we also owe our growing experience and knowledge about endoscopic surgery. The six years of The Society activity has proved to have important impact for paediatric endoscopic surgery development. The annual scientific Congresses are direct platform for exchanging and sharing our experience and achievements, giving us the opportunity for new collaborations and friendships.

The 7th ESPES Congress is also a good chance to discover a very long and amazing history of Wrocław, the fourth-largest city in Poland and historical capital of Lower Silesia region. You can find many famous medical names connected to Wrocław Medical University, among them Jan Mikulicz-Radecki, Hermann Johannes Pfannenstiel, Jan Evangelista Purkyně, Alois Alzheimer, Ludwig Hirsztfeld.

Wrocław was elected for 2016th year as the European Capital of Culture - the culture centre of our continent. With your help, we will make Wrocław the European capital of paediatric endoscopic surgeons of the year 2017.

Ciro Esposito
President of European Society
of Paediatric Endoscopic Surgeons

Dariusz Patkowski
Congress Chairman
